The End Of A Dynasty... And The Beginning Of Another

This has been yet another year of change at GCIS. With the almost entirely new administration, including a new head principal, many new regulations and rules have come to be the norm. This aspect overflows into the yearbook that you are holding at this very second. The previous sponsor, Mrs. Spudich, retired at the close of the 2000 school year, meaning a new sponsor would take over. Mrs. Amy Alsop, one of the most active teachers at GCIS, took on the responsibility with an open mind and a positive attitude. She completely revamped the structure of the 1½ hour class, making it a well-oiled machine. An almost completely new staff took on the task of producing an entirely different type of yearbook, one that would highlight a more wide range of students and focus more on the photojournalistic approach of producing the 2001 edition. I was selected Editor-in-Chief and was the lone returning staff member. Working together, we successfully completed a volume that highlights this year's triumphs, friendships, and activities. Use this book as a tool when you look back on the 2001 school year at GCIS to help you to cherish the memories that will be a part of you forever.

Enjoy!

2000 Homecoming Court

The Homecoming Court for the 2000 school year was one of prestige and honor. Mr. Patton remarked before the first night of coronation how pleased he was with the positive and responsible attitudes of this year's court.

The 22 students were selected by their senior class

peers by popular vote, and the king and queen were selected by the entire student body.

Said Court member Josh Reyes, "Homecoming was especially fun and even more memorable because it was the last for me, and being on Court made it even more special!"

THE STABILITY OF GCHS IS

A CHANGE OF POWER

A new face shines at GCHS. Principal Greg Patton has been a wonderful new addition to the high school. Mr. Patton remarked that after a four and a half year vacation from GCHS, he was happy to be back. Mr. Patton is very pleased with how friendly GCHS students are. The school is truly grateful to have him in charge.

1. Mr. Jerry McKeahan is not only GCHS's Athletic Director but its Vice Principal as well
2. Assistant Principal Cindy Gagich is Director of Vocational Education and also in charge of the school's curriculum.
3. Mr. Jim Greenwald, Assistant Principal, is in charge of audio visual equipment, transportation, and discipline.
4. Mrs. Lori Silvea, Assistant Principal, has been entrusted with the position of Printshop Coordinator and also handles discipline.
5. Registrar Mr. Allen Kennerly, who is in charge of student records and conducts graduation, holds his retirement countdown clock.
6. By the time you read this, Mr. Robert McBride will have already taken Mr. Kennerly's position as registrar, as of January 15, 2001.

GCHS Students Recognized by the American Welding Society

Paul Richter, Joe Wineberner, Tony Alexander, and GCHS graduate Mike Holthaus were all recognized by the American Welding Society (AWS). On November 9, 2000, the AWS held the St. Louis Section Annual Student Night, a night to recognize students.

"These students were selected by their peers and teachers for being outstanding welding students in their respective schools," said Mr. Paul Kimbrell, First Vice Chairman St. Louis Section of the AWS.

Paul Richter, a senior, won outstanding student. Paul is president of Vocational Industrial Clubs of America (VICA), foreman of his welding class, and a student member of the AWS. Joe Wineberner and Tony Alexander received two out of the fourteen free one-year memberships given on that night.

Mike Holthaus won the Southwestern Illinois College (SWIC) outstanding student award for the Granite City campus. Mike received the outstanding award last year for GCHS.

CLUBS

ABOUT FACE

"Young Authors' is a really great extra-curricular activity.

As editor, I read many stories from the school's best writers. With Mr.

Whittleman as sponsor, the club really has pizzazz. He's a wonderful asset to all of us and a BIG help.

Strangely enough, the club also has stories that feature cannibalistic gerbils, flying pigs, and angry panda bears."
-Jess Duffield

"My first year as co-editor of the Young Authors' Club has been an exciting one.

I believe that the books we put out are a wonderful way for the students to express themselves.

Whether it be through stories, poems, or art, all forms are good ways to show how the students feel about life and school. I hope all students have contributed to our books and will continue to do so."
-Tara Dawson

Young Authors' Club

Imagination, The Key To Other Worlds

Friends! Students! Granite Citians! Lend me your ears!

Dramas, tragedies, poems, essays, and any other form of writing you can think of...That is what the Young Authors' Club wants to publish.

Sponsored for the fifth year by Mr. Edward Whittleman, the club has done many different things in the course of putting together their annual books of collected literature, the *Imagination Manifestation*. This year the club will be taken in a unique direction by its new editor, Jess Duffield, along with her co-editors, Elizabeth Doty and Tara Dawson. The editor, with her newfangled ideas, should put an interesting spin on things. We can only wait to see what happens...

"I'm excited about the club's direction. Jess has some exciting ideas that will make our publication even better this year. Personally though, I haven't seen any of those cannibalistic gerbils that she talks about so much."

Social Studies Club is for Everyone!

Do you want the opportunity to explore the world of social science? Do you want a chance to meet people with similar interests? Do you want to take awesome field trips and do interesting political activities? If you answered yes to these questions, the Social Studies Club is the club for you!

Anyone can join the club, but it takes more to be active. The dues are \$2.00, three times a year. Meetings are held once a month for all members and up to three times a week for special groups and committees. Members take two field trips a year, one in the spring and one in the fall. Past destinations have included New York, San Antonio, Texas, and the Holocaust Museum in St. Louis.

"The purpose of the club is to promote the study of and interest in social studies, to provide students with a way to explore politics and history, and to spread the word about the greatness of 'getting involved' in your government," said President Emily Kelahan.

Mr. James Lombardi sponsors this club. Members get to do several fun and exciting things. This year they held the Mock Election, so students could choose who they think should be their president. The winner at GCHS was Vice President Al Gore.

STUDENT COUNCIL

ORDER, ORDER, ORDER

Every year students are elected by their peers to coordinate student activities and be the intermediary between the student body and the administration. "Student Council is a great organization. The representatives work very diligently to create a fun environment at GCHS," said sponsor Linda Ames.

Every member of Student Council plays an important role in many things that happen at GCHS and in our community, such as collecting money and canned goods around Thanksgiving and Christmas. Student Council takes this money and makes food baskets for the most needy families in the area. They also plan the activities and dance for Homecoming week and the Senior Prom. Student Council is also responsible for all elections that take place at GCHS.

The officers for the 2000-2001 school year were President Jon Franko, Junior Vice President Jennifer Smiddy, Secretary Kara Wallace, Treasurer Erin Tyler, and Historian Tiffany Bernaix.

ABOVE President Jon Franko and Representative Drew Blaylock take time out of their busy schedule to model for the yearbook.

BELOW Jennifer Smiddy, the Junior Vice President, has a lot of work to do, such as conference with Jon and Mrs. Ames to make executive decisions.

The competition is sponsored by the Department of Energy, and sixteen teams are involved in the Regional competition, with GCHS being the only school from the St. Louis Area to compete.

SCHOLAR BOWL

Scholar Bowl has been a part of GCHS since the early 1980's. Started by Mr. Dale Ashmore, the IHSA activity functions like a high school form of *Jeopardy*. Students are in teams of ten, but participate in groups of five. They use a buzzer system to answer questions ranging from math and science to literature and fine arts to sports. Their season usually lasts from November to March, and they have about twelve matches with other schools in the area. The sponsor for Scholar Bowl this year is Mrs. Amy Alsop. The captains of the Varsity team are Jennifer Ambuehl and Andy Balcer. The captains of the JV team are Cody Anderson and Stacie Foster. This team is a true example of higher learning.

IN LOVING MEMORY OF MARILYN WASHINGTON

"She was a nice lady, and it was a shame what happened. I really enjoyed her class. She made it fun. She was an excellent teacher, and I looked forward to her class every day. She was always trusting and respected us as students."
